

### TERMINAL DISCLAIMER

I, John R. Woods, Chief Executive Officer of Spraytex, Inc. ("Spraytex") represent that Spraytex is the assignee of the entire right, title, and interest in U.S. Patent No. 6,641,864, filed December 6, 2000, as established by the assignment recorded at Reel 010182 and Frames 0564-66. The assignment documents have been reviewed, and I certify that to the best of my knowledge and belief, title to U.S. Patent No. 6,641,864 is in Spraytex's name. (37 C.F.R. § 3.73(b)).

As Chief Executive Officer of Spraytex I, John R. Woods, also represent that Spraytex is the owner of the entire right, title, and interest in and to the above-identified patent application (serial No. 10/080,940) and the invention covered thereby by virtue of being the sole assignee of the subject application. The above-identified patent application is a continuation-in-part application of U.S. patent application serial No. 09/746,447, now U.S. Patent No. 6,641,864.

On behalf of Spraytex I, John R. Woods, hereby disclaim the terminal part of any patent granted on the above-identified application which would extend beyond the date of the full statutory term of U.S. Patent No. 6,641,864, issued November 4, 2003. I hereby agree that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be held by the same entity holding the legal title to U.S. Patent No. 6,641,864. This agreement is to run with any patent granted on the above-identified application and to be binding upon the grantee, its successors, or assigns.

On behalf of Spraytex, I do not disclaim the terminal part of any patent granted on the above-identified application that would extend to the expiration date of the full statutory term of U.S. Patent No. 6,641,864 in the event that it later: expires for failure to pay a maintenance fee;
